Invitation Letter

Dear Esteemed Partners,

Warm greetings from the Ministry of Public Health and Hamad Medical Corporation.

It is with great pleasure that we extend our heartfelt invitation to you as a distinguished member of Qatar's esteemed health community. We are thrilled to invite your respected organization to participate as a Partner/Sponsor in the prestigious "Qatar Health Congress 2026", an event of paramount significance in advancing the landscape of health in our nation. The theme for this year is "Innovations in Medicine."

The "Qatar Health Congress 2026: Innovations in Medicine", a collaborative effort, with the Royal College of Physicians (RCP) UK and the American College of Physicians (ACP), is designed to be a high-level scientific event that presents and discusses important innovations in Internal Medicine, and its related subspecialties, as well as in Trauma and Critical Care. This landmark event will take place from January 29th until 31st January 2026 at the Sheraton- Grand Doha Resort & Convention Hotel, Doha Qatar.

An Academic Gathering:

The Congress will see the active engagement of over 2,000 healthcare and public health professionals hailing from Qatar, the Gulf region and globally. These professionals are dedicated to delivering multidisciplinary care, education, and pioneering research in the delivery of Innovations in Medicine and integration across medical disciplines.

Global Experts and Collaboration:

The congress will provide an invaluable platform for national, regional, and global experts in Internal Medicine, and its related subspecialties, as well as in Trauma and Critical Care. The congress will also welcome representatives from the World Health Organization and other esteemed international organizations who play pivotal roles in the delivery of Innovations in Medicine.

Comprehensive Experience:

The congress is set to feature a lineup of world-class expert speakers and industry leaders. The congress will provide an excellent opportunity to learn updates, exchange knowledge and network with global and local experts in the field of Internal Medicine, and all of its sub-specialties: Endocrine/Diabetes, Rheumatology, Pulmonary, Gastroenterology, Nephrology, Infectious Disease, Allergy and Immunology, as well as Trauma and Critical Care and Artificial Intelligence (AI). A robust scientific and educational program will further enrich the experience.

We present to you an exceptional partnership and sponsorship opportunity that allows your esteemed organization to play a pivotal role in this momentous event. Being part of "Qatar Health Congress 2026 (QHC 2026)" means contributing to shaping the future of Qatar's health system and making history in the process.

We eagerly anticipate the opportunity to discuss this remarkable proposition with you in the coming weeks. For any inquiries or to express your interest, please do not hesitate to contact Mr. Ridha Miladi, our focal point for Qatar Health 2026.

For more information, please visit: www.hamad.qa/qatarhealth2026

Any questions can be directed to Mr. Rida Miladi.

E: Rmiladi@hamad.qa and M: +974 55847685.

Sincerely,

Overview of the Qatar Health Congress 2026: “Innovation and Integration Across Medical Disciplines”

The Qatar Health Congress 2026 will maintain, if not exceed, the standards of credibility and excellence built on the recent iterations of Qatar Health. Qatar Health Congress (QHC) 2026 will provide state-of-the-art updates from experts in the field of Internal Medicine, all of its sub-specialties (Endocrine/Diabetes, Rheumatology, Pulmonary, Gastroenterology, Nephrology, Infectious Disease, Allergy, and Immunology, as well as Trauma and Critical Care and Artificial Intelligence (AI). It will maintain a focus on Innovations in Medicine while providing interactive educational sessions. It will provide opportunities for professional development and research presentations for a wide variety of healthcare providers from a diverse set of disciplines and practices.

Congress Objectives

Aligned with HMC's vision of patient care excellence, the Qatar Health Congress 2026 aims to provide a high-level scientific platform covering innovations and advancement as well as all important topics of Internal Medicine and its related subspecialties as well as trauma and critical care.

Program Highlights:

The Qatar Health Congress 2026 will offer a 3-day program with a minimum of four theme-specific tracks, preceded by two days of pre-conference courses, workshops and symposia. The tracks should have a mix of direct lectures, panel discussions and interactive sessions, active participation will be strongly encouraged. All sessions to be delivered in a hybrid format.

- 1. Plenary Lectures:** Featuring distinguished speakers discussing plenary and key topics in Internal Medicine and its subspecialties as well as Trauma and Critical Care.
- 2. Symposia:** In-depth sessions on specialized areas within Internal Medicine and its subspecialties.
- 3. Workshops:** Hands-on procedure, including Medical Procedures and Point-of-Care Ultrasound (POCUS) sessions.
- 4. Meet the Expert Sessions:** Opportunities for direct interaction with leading local, regional, and international experts.
- 5. Pre-Conference Postgraduate Course:** A comprehensive course for Physicians offering up-to-date various learnings in Internal Medicine and its subspecialties.
- 6. To provide a venue for healthcare researchers** to present their findings and network with other stakeholders in academic medicine.

Expected Attendance:

- Expected Attendance: More than 2000 participants from Qatar, the Gulf and MENA region and abroad.
- Collaborations: High-standard speakers and faculty from national institutions such as Hamad Medical Corporation (HMC), Qatar University (QU), and Weill Cornell College of Medicine-Qatar (WCMQ), as well as international institutions like the American College of Physicians (ACP), the Royal College of Physicians (RCP-UK), Global NASH Council (GNC), Mediterranean Taskforce For Cancer Control (MTCC), and European Society of Hypertension (ESH).
- Speakers: around 40 international speakers and more than 100 local healthcare experts who will deliver state-of-the-art scientific contributions.

Benefits for Attendees:

- CPD: Offering extensive continuous professional development.
- Scientific Excellence: Access to a high-caliber scientific program covers the recent advances in the field of Medicine and its subspecialties.
- Knowledge Exchange: Opportunities to share and gain insights into the latest innovations, research and clinical practices.
- Networking Opportunities: Connect with peers, experts, and leading faculty from various national, regional, and international institutions.
- Skills Development - Through wide-ranging hands-on workshops on medical procedures and POCUS sessions.

Attendees/Target Audience

- All Physicians (Internal Medicine and its subspecialties, Family Medicine, Trauma and Critical Care, and other related medical subspecialties)
- Medical Researchers and Academics
- Trainees (Residents and Fellows)
- Nurses, Pharmacists and other Allied Health Professionals
- Medical Students

Posters and Exhibitions

There will be ample opportunities for presentations of submitted abstracts. At conservative estimate is set at 30 to 50 abstract per track.

We plan to host sponsor exhibits that will be in compliance with the HMC Medical Education and DHP regulations, as we did for previous QH events. But, in 2026, all partner exhibitions will be in-person, there are plans in place to attract more local and international exhibitors to make their presence felt and display their products/services within the conference venue/s.
