

Sepsis; let’s bundle the care!

PROBLEM: As per a survey conducted among 30 SICU staff, only 40% were aware of sepsis six pathway and only 17% were aware of 3 hour sepsis bundle and 23% were aware of 6 hour sepsis bundle. Currently there is no standardized sepsis tool followed in SICU

AIM: To improve the compliance with the standardized sepsis screening tool “sepsis six pathway”, from 0% to 50% by 31 December 2015.

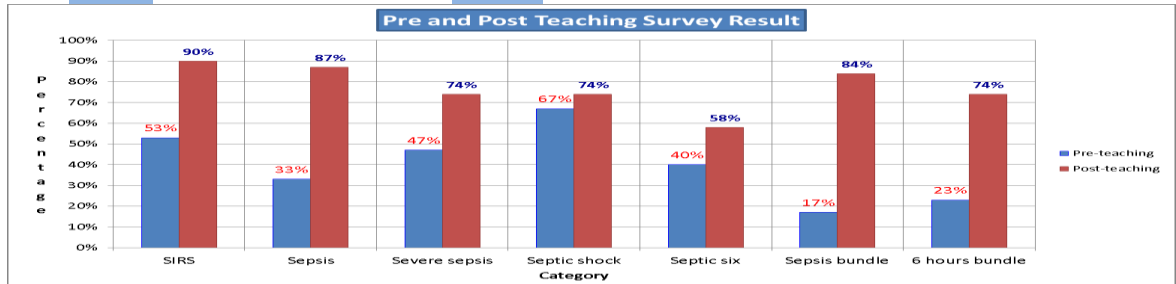

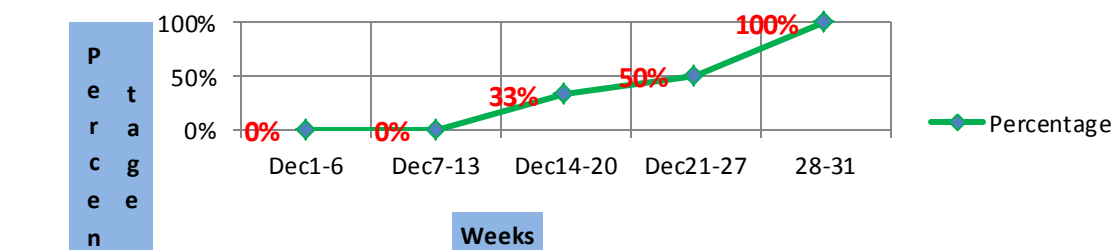

INTERVENTIONS:

- 1.Conducted staff awareness lectures to doctors and nurses
- 2.Introduced sepsis six pathway screening tool in SICU and monitored compliance

- TEAM:**
- Mrs Sumayya
 - Mrs kobra
 - Mrs Jeny
- PROJECT SPONSORS:**
- Dr.M.Faisal Malmstrom, Director SICU
- COACH**
- Dr. Samina Khan
 - Dr Reham Negmeldin

RESULTS: **Percentage of Compliance to Sepsis Six Screening Tool**

- CONCLUSIONS:**
- 1.Compliance to the screening tool considerably increased.
 - 2.Staff awareness about sepsis has improved as proved by survey
 - 3.Staff satisfaction survey was also impressive.

- NEXT STEPS:**
- 1.Continuous usage of screening tool
 - 2.Continuous education &awareness campaigns
